O'Malley School of Business

Our Mission
To provide a transformative education: We add value by developing business leaders with integrity, intellectual curiosity, global consciousness, and a desire to change their community and the world for the better.

Our Vision
To be an innovative, inclusive Lasallian leader in business education: We are recognized as advancing knowledge through research, expanding minds through teaching, drawing on the vibrancy of business to make an impact on New York and beyond.

Degree Programs

MBA Degree Program
Our MBA degree provides a well-rounded business education. The program is designed for working professionals to increase their awareness of the multifunctional aspects of business and enhance their ability to integrate business knowledge in decision making.

The program offers concentrations that give professionals a competitive edge in some of the fastest growing areas in business. Students can choose to specialize in Business Analytics, Finance & Economics, or Organizations, Markets & Sustainability. Students may also opt for the Flex MBA option, that provides a choice of courses from all three concentrations.

The MBA program is open to students of all disciplines who have earned an undergraduate degree from an accredited college or university. The degree can be completed as a full or part-time student.

Five-Year B.S./MBA Degree Program
O’Malley School of Business undergraduate students are eligible to apply for the five-year B.S./MBA program, providing an opportunity for students to complete both an undergraduate business degree and MBA in five years. Two tracks are available – one specifically for accounting students and one for any business major at the College. Both tracks are described below.

Track 1 - B.S./MBA Professional Accounting

The B.S./MBA Professional Accounting Program offers accounting students the option to complete a CPA licensure qualifying curriculum and is structured to meet the requirement in accordance with the regulations of the State of New York. Upon successful completion, the student will be awarded two degrees: a B.S. and an MBA, both in Professional Accounting. The program consists of a total of 153 hours in undergraduate and graduate credits, planned over a five-year period, including coursework during ten semesters and at least one summer session.
Track 2 – B.S./MBA Business

The B.S./MBA Business Program offers students from any undergraduate business major at Manhattan College the opportunity to complete an MBA degree in one year. Upon successful completion of this five-year program the student will awarded two degrees: a B.S. in Business (in one of six majors) and an MBA with an optional concentration in one of three areas (Business Analytics, Finance & Economics, or Organizations, Markets & Sustainability). The program consists of a total of 150 hours in undergraduate and graduate credits, planned over a five-year period, including coursework during ten semesters and at least one summer session.

Application Procedures

The MBA program is open to students of all disciplines who have earned an undergraduate degree from an accredited college or university. Admission to the MBA program is done on a rolling basis.

Applicants whose undergraduate degree is not in a business-related discipline may need to take a number of prerequisite courses. These prerequisites can be satisfied by taking the online MBA Foundation Courses (or equivalent undergraduate courses).

Manhattan College Applicants:

Manhattan College students applying to the program should contact Professor Marc Waldman (marc.waldman@manhattan.edu, office 418 - De La Salle Hall). Students wishing to join the five-year program are encouraged to apply during the summer prior to their senior year as this will allow maximum flexibility in MBA course scheduling and give the applicant time to remedy any deficiencies in their application. Applications from seniors will be accepted.

O'Malley School of Business Applicants:

• O'Malley School of Business students who were awarded a Presidential, Dean's or Chancellor's scholarship and have a cumulative GPA of at least 3.0 by the end of their junior year are eligible for direct admission into the MBA Program. GMAT exam and recommendation requirements are waived.

• O'Malley School of Business students who have a cumulative GPA of at least 3.20 by the end of their senior year are eligible for direct admission into the MBA Program. GMAT exam and recommendation requirements are waived.

School of Engineering Applicants:

• School of Engineering students who have a cumulative GPA of at least 3.0 by the end of their senior year or have passed the Fundamentals of Engineering (FE) exam are eligible for a GMAT exam and recommendation waiver.

School of Science Applicants:

• School of Science students who have a cumulative GPA of at least 3.0 by the end of their senior year are eligible for a GMAT exam and recommendation waiver.

School of Arts or School of Education Applicants:
• School of Arts or School of Education students who have a cumulative GPA of at least 3.3 by the end of their senior year are eligible for a GMAT exam and recommendation waiver.

External Applicants:

Applicants from outside Manhattan College must complete the graduate application that is available from the Office of Graduate Admissions website. Official transcripts of all undergraduate and graduate courses, GMAT scores (if required), resume and letters of recommendation should be submitted directly to the Office of Admissions.

Official transcripts (not student copies) of all academic records must be sent to the Office of Graduate Admissions by the institutions issuing them. Applicants who file an application before the baccalaureate degree has been conferred may be accepted pending the successful completion of their undergraduate work. A final transcript must be received in the Office of Graduate Admissions before they register for graduate courses.

Applicants will be assessed according to the following criteria:

1. GPA: Applicants should have a cumulative GPA of at least 3.0 (on a 4.0 scale).

2. Resume: The resume should include examples of academic, co-curricular and extracurricular achievement which can be used to assess personal qualities and ability to complete the program.

3. Recommendations: Applicants must submit two letters of recommendation attesting to the applicant’s intellectual ability, leadership potential and ability to complete the program.

4. Official GMAT scores: A score of at least 500 is preferred. See GMAT exam waiver conditions listed below.

The GMAT exam requirement will be waived if the applicant has met any of the following criteria listed below:

• Has at least three years of relevant full-time work experience

• Earned an undergraduate degree in a business discipline and a cumulative GPA of at least 3.2

• Earned an undergraduate degree in an engineering or science discipline and a cumulative GPA of at least 3.0

• Earned an undergraduate degree in an education or arts discipline and a cumulative GPA of at least 3.3

• Earned a graduate degree or professional degree (M.D., J.D.) from an accredited college or university

• Passed the CPA, CFA, or FE (Fundamentals of Engineering) exam.

Please contact Graduate Admissions (gradadmit@manhattan.edu) with any questions concerning admissions.
