

Associates Degree in General Studies

Yureyce Candelario

Program Manager

The General Studies program is designed to provide tailored academic support and resources to students seeking to complete their associate's degree at Manhattan University.

This program is for students interested in any major who require more academic preparation before beginning the bachelor's degree, but want the benefits of the full Manhattan University campus experience. Whether you're exploring your interests or strengthening your foundation, this program gives you the time, tools, and guidance to succeed.
